Our Online Catalogue & Your Watch List

Every lot is visible for you in our online catalogue before the particular auction on our website **auktionen-fruehwald.auex.de**. Here you have plenty of time to look at every single lot in detail and to narrow down the choice.

If you want to add lots to your list just click the little star for the respective lot. By this means you always keep your favorites in mind.

By the way your watch list or selection in the search filter can be saved and printed out as a pdf document at any given time.

The screenshot shows the website's navigation bar with the following tabs: Online Catalogue, Current Auction, My Watch List, My Preb, and My Successful Bids. Below the navigation bar, the 'Online Catalogue' section is active, displaying a table of auction lots. The table has columns for Lot, Description, Result, My Bid, and Estim. Price. A specific lot is highlighted: '114. Auction - 31.05.2015 10:00' with the description 'Coins and Medals'. Below this, there are filters for 'Münzen Ausland | Australien | Diverse'. A specific lot is shown with two gold coins and the description: 'Lot 1 George V. 1910 - 1936 Sovereign 1924, Mzst. Melbourne, Friedb. 39'. The 'My Bid' is shown as '-' and the 'Estim. Price' is '250'. A star icon is located next to the price. To the right, a 'SEARCH FILTER' panel is visible with dropdown menus for '114. Auction', 'Münzen Ausland', 'Australien', and 'Diverse'. A 'Print PDF document' button is located above the search filter. A search bar with the placeholder 'Search / Lot number' is also present. At the bottom right, there are input fields for 'Lotnr.
